**Terms of warranty for products from Esselte Leitz GmbH & Co KG**

**Warranty period 5 years**

The following conditions, which describe the requirements and the extent of our warranty service, do not affect your legal rights, especially the seller's warranty obligation caused by the sales contract with the end consumer. These warranty conditions are valid for all the enclosed mentioned products, worldwide bought, of the company Esselte Leitz GmbH & Co KG.

**1. Warranty period and start of the warranty**

The warranty starts with date of purchase and lasts for 5 years.

Benefits that we render due to this warranty do not effect an extension of the warranty time.

**2. Content and extent of the warranty**

Product defects that are due to material or production faults will be eliminated by the choice of Esselte Leitz GmbH & Co KG through either repair or replacement delivery (if necessary against an equivalent product, having the same or comparable quality).

In case of a replacement delivery the belongings of the replaced product will be transferred to Esselte Leitz GmbH & Co KG. The warranty does not allow any claims for compensation beyond towards Esselte Leitz GmbH & Co KG.

**3. Conditions and use of the warranty**

The warranty service will just be rendered by presenting the original invoice / purchase receipt or a copy of it.

It is a "bring in warranty" (customer bears the postage costs for the consignment).

For an optimum execution and to avoid extra costs it is mandatory to contact our customer service in advance by phone or in written form.

Product faults have to be complained immediately after detection and within the warranty time at the dealer, where the product has been purchased. Alternatively, demands out of this warranty can be made on Esselte Leitz GmbH & Co KG at the following contact details:
